TUB O' TOWELS®

Heavy Duty Cleaning Wipes 90 Count and 40 Count

- Bigger, stronger and tougher 10" x 12" oversized wipes ensure maximum durability and performance.
- 100% solution soaked wipes, from the first to the last.
- Contains no harsh chemicals, only biodegradable detergents, solvents and emulsifiers that go to work dissolving grease and dirt. Foaming agents lift grime off the surface so it can easily be wiped away.
- Heavy duty cleaning wipes contain aloe, Vitamin E and lanolin to clean, soften and protect.
- Removes stains others won't, including: grease, tar, ink, paint, permanent marker and other hard-to-remove soils. Hard working cleansing and stain removing wipes for hard workers.
- Heavy duty cleaning wipes do not contain disinfecting or antibacterial properties.
- Vaporlock™ Canister is made of heavy-gauge plastic with locking lid to minimize solution evaporation.

GASOILA®

GASOILA® Thread Sealant Soft-Set TS with PTFE	Soft-setting PTFE paste provides a positive seal on pipe threads, joints, fittings, and more. NOT for use on oxygen. Remains pliable even in cold temperatures.
GASOILA® NT Thread Sealant	Blue, textured, non-PTFE grit-free sealant. Use on most metals and plastic. Ideal for maintenance of machinery and assembly lines with no risk of valve-destroying grit contamination.
GASOILA® DEF Thread Sealant	DEF (Diesel Exhaust Fluid) Sealant is designed for systems carrying urea-based chemical reactant used in SCR systems (DEF). Excellent resistance to a wide variety of chemicals.

VENOM® PTFE THREAD TAPE

- Largest Roll on the Market – 1,500"
- 99.9% Pure, Professional Grade PTFE Tape
- No Contaminating Pigments or Dyes
- Safe for use with Potable Water
- Safe for use on Food Grade Applications
- Safe for use on Oxygen Systems
- Universal PTFE Tape that can be used with a Variety of Piping Materials
