

WORN BOGIE & IDLER WHEELS MADE LIKE NEW AGAIN

Longer Wear At Lower Cost

Why pay more for new bogie wheels when you could have refurbished wheels for less money, with a longer useful life, and less downtime?

Stripped, cleaned, and re-cast wheels are virtually brand new and outlast factory originals.

The Agrathane™ Advantage

- Fully stripped and resurfaced cores
- Compression molded treads
- FDA/USDA approved materials & coatings
- AGRATHANE™ urethane for max durability
- For all types & models of tracked machines
- Matches original factory tread profile
- Custom tread profiles made to order

A DIVISION OF
GREEN RUBBER - KENNEDY AG

A proud member of

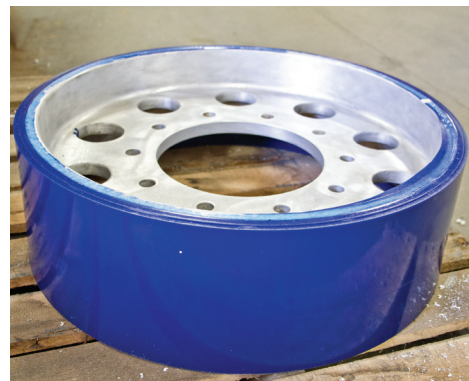

PMA Polyurethane
Manufacturers
Association

Our expert technicians carefully strip, clean, polish and inspect the cores for refurbishing.

Cores are resurfaced and re-balanced to ensure a proper foundation for the new tread.

AGRATHANE™ is compression molded with the precise formulation and temperatures needed to assure proper hardness.

For Most Makes & Models of Tracked Equipment Including:

MT800 Challenger
John Deere 8RT Row Crop Tractor
John Deere 8000T RC Tractor
Case IH Quadtrac (3 step)
Case IH Quadtrac (2 step)
Case IH Quadtrac (In bore)
Case IH Rowtrac
(Custom designs by special order)

Why pay for new when you can refurbish and save? Call today.

With six locations to serve you.
