URETHANE SIZING-ROLLERS

Replace your worn out rubber sizing-rollers with high performance urethane rollers from Green Rubber – Kennedy Ag. Urethane sizing-rollers are perfect for mechanical sizing/sorting tables that perform coarse-diameter grading, plus removal of undersized product, dirt, leaves, and stems.

URETHANE ROLLER ADANTAGES OVER NATURAL RUBBER:

- Superior abraision and ozone resistance
- Higher resistance to natural acids & sanitation chemicals
- Longer operational life and reduced maintenance costs
